

REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended and in light of the following discussion is respectfully requested. Claims 1-11 are pending, Claims 1 and 6 having been amended by way of the present amendment.

The outstanding Office Action objected to the format of the specification. A substitute specification is submitted herewith.

The applicant acknowledges with appreciation the examiner's allowance of Claims 1-11. Claims 1 and 6 have been amended to correct a grammatical error without affecting the scope of the claims.

Consequently, in view of the present Amendment and in light of the foregoing comments, it is respectfully submitted that the invention defined by Claims 1-11, as amended, patentably defines over the asserted prior art. The present application is therefore believed to be in condition for formal allowance and an early and favorable reconsideration of this application is therefore requested.

Respectfully submitted,
